Dear Friend of Orange Blossom Miniature Horse Club:

This letter shall serve as an introduction to the Orange Blossom Miniature Horse Club, Florida's only club serving the interest of Florida Miniature Horse owners, and duly registered as a non-profit corporation within the State of Florida.

The Mission of OBMHC is: **To provide educational and recreational activities for its members and general public, especially youth, in the areas of breeding, raising and showing miniature horses.**

To this end, we provide many opportunities for both members and the general public to familiarize and involve them with the miniature horse breed. These events, primarily horse shows held in Ocala, Florida three times per year are free to the public and well advertised by OBMHC to encourage public awareness. Our members clearly understand our mission to introduce our chosen breed to newcomers as a resource of recreation and educational opportunities.

The bearer of this letter is a member of Orange Blossom Miniature Horse Club and has been entrusted to deliver our message, and to seek sponsorship opportunities on behalf of that mission. We hope you will consider making a donation of goods, services, or funds to assist us in our goal of attracting more attention to our breed as well as motivating involvement by our members and potential members. We take great pride in our chosen breed, the American Miniature Horse, and promote our diminutive horses through our website: [OrangeBlossomMHC.org](http://OrangeBlossomMHC.org) and our Facebook presence: Orange Blossom Miniature Horse Club -- welcoming one and all. We are happy to acknowledge your generous donation via our social media outlets and at our events, and are happy to provide any type of receipt required for your records. While OBMHC is not a charitable non-profit (such as a 501(c)3), we are still a registered NON-profit with the State of Florida and all of our resources are directed back towards our membership.

Thank you for supporting the Orange Blossom Miniature Horse Club!

Sincerely,

Gretchen Stanley  
OBMHC Secretary
